THE AMERICAN LEGISLATORS ASSOCIATION

FOUNDED 1925

[*A Bill (S. 972) similar to the following House Joint Resolution has been introduced by Senator Steiwer.*]

72D CONGRESS
1ST SESSION

H. J. RES. 131

IN THE HOUSE OF REPRESENTATIVES

DECEMBER 15, 1931

MR. LUCE introduced the following joint resolution; which was referred to the Committee on the Library and ordered to be printed

JOINT RESOLUTION

To make available to Congress the services and data of the Interstate Legislative Reference Bureau.

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That upon acceptance of the provisions of this joint resolution by the American Legislators' Association it shall be the duty of the Interstate Legislative Reference Bureau of such association, upon request therefor, to make its services and its indices, digests, compilations, bulletins, and other data available to either House of Congress, its committees, and Members, and to the Legislative Reference Service of the Library of Congress, and to act as a clearing house in making so available such data of the legislative reference bureaus of the several States and such data of other research agencies. For carrying out the purposes of this joint resolution there is hereby authorized to be appropriated for the fiscal year ending June 30, 1932, and for each fiscal year thereafter, the sum of $40,000 to be expended by the American Legislators' Association for the maintenance of said Interstate Legislative Reference Bureau; except that the amount appropriated for any fiscal year shall not be in excess of the aggregate amount provided by other sources for such purposes for such fiscal year and except that commencing with the fiscal year ending June 30, 1936, the amount appropriated for any fiscal year shall not be in excess of the aggregate amount that the several States have provided or obligated themselves to provide for such purposes for such fiscal year. The appropriations made pursuant to this joint resolution shall be disbursed by the Librarian of Congress.

ON SHOCKOE HILL

A heritage of eloquence was bequeathed to the Capitol of the Old Dominion by its designer, Thomas Jefferson. Three centuries after the discovery of the land of the free and the home of the unemployed, this massive Grecian building was erected according to the plans of the sage of Monticello. Its two wings were added twenty-five years ago.

During the Civil War it served as the Capitol of the Confederate States.

Today it houses not only the governmental forces of the Commonwealth of Virginia, but also the busts of eight Virginia-born Presidents of the United States.
